Mr. Furth & Ms. Richards,

The Job is done! It is great to be able to write to you and say that. I am glad that my case is completed and I can now have closure on that aspect of my life.

When I received the letter, from my ex-employer, correcting my employee file I felt a sense of relief... even justification.

Thank you both for your expertise. I was lost and confused about the whole civil legal process. Your patience and caring for your clients is evident and appreciated. Thank you for the education of so many legal issues, answering my questions and allowing me to actively participate in gathering information for the case.

You made the experience favorably memorable.

I pray for continued successes for both of you professional & personally.
God Bless you.
